Overview

The Texas Perfusion Organization will be hosting it's first educational meeting to unify the perfusionists' of Texas. We are a non-profit organization designed to host perfusionists' from around the state with the intent to educate and inform on current and relevant topics within our profession. The organization aims to establish scholarships and monetary support for future perfusion students, and perfusionists engaging in mission work. With your support, we can establish the foundation for high-level perfusion education for years to come. Initially, we are focused on accessing as many perfusionists as possible, but in the coming years, we will branch our attention to bring all cardiovascular healthcare professionals together.

Target Audience

- Perfusionist, Medical Doctor, Registered Nurse, Ecmo Specialist
- 1st Year Expected Attendance : 150 +
- 2nd Year Expected Attendance : 200 +
